

## ALBATROS 32'

**BOAT TYPE:** Cruising Sailboat

**INTRO:**

ALBATROS 32' is a modern classic yacht, seaworthy and comfortable, which can be built by an expert builder.

**DESCRIPTION:**

ALBATROS 32' has a classical design, highlighted by a traditional deckhouse, by a heart-shaped transom and by a traditional deck sheer, combined with modern characteristics which give good performance. It is a boat that has been studied for medium range cruisers, with frequent stops at ports, but also suitable to cover long passages of open sea and face sudden weather changes. It affords sumptuous comfort for a couple, but even four people may stay comfortably. Its sail plan is a fractional sloop rig, a solution which has, not by chance, become the most widespread nowadays, even on cruise boats, almost supplanting mast head rigs. There is the possibility of adding a gennaker or a code 0, for giving a mobile bowsprit. This system, which was conceived for regattas, offers enormous advantages also to a cruise boat, allowing to take advantage of the smallest breeze and by limiting the use of the motor.

**DESIGN:** Paolo Lodigiani & Matteo Costa

LOA: 9,80 m

BOA: 3,40 m

WEIGHT: 4200 kg

SAIL AREA: 47,8 sqm

CONSTRUCTION: strip-planking

**PRICE complete plans:** € 870
