

## OLD BAGGIE

**BOAT TYPE:** Sailboats - Dinghy

**INTRO:**

OLD BAGGIE (4,6 m) is the biggest of the Baggie sisters boats, a series of classic dinghies inspired by the traditional sandbaggers. It is an elegant, fast and comfortable boat for a crew of two persons.

**DESCRIPTION:**

OLD BAGGIE is similar to the other Baggies but with a length of 4,6 m it has better performances and is ideal for a crew of two persons who want to sail fast and comfortably. Thanks to its beam it has good stability without demanding too much effort or acrobatic qualities to the crew. The main difference from the other Baggies is the pivoting centerboard instead of a dapper board, a more functional solution. Many of these boats have been built in Italy and are sailed proudly by their owners.
