

## PRAM 220

**BOAT TYPE:** Tenders, Prams

**INTRO:**

Designed for a boat owner who wanted a rigid tender for his 24' meter yacht, PRAM 220 has the minimum dimensions to be used at this scope. It may be used by children for sailing in protected waters.

**DESCRIPTION:**

Designed for a boat owner who wanted to fit his eight meter "yacht" with a rigid tender, the PRAM 220 has the minimum dimensions to be used safely for this type of task, maintaining at the same time a boat appearance and not that of a floating box. Thanks to its light weight it may be lifted on board or launched when the yacht is moored. Fitted with a small sail and a centerboard, it may be utilized by children or adults for enjoyable sailing in protected waters.
